Local Dues Category Name: Join Local 2121
Legal Language:
Yes, I want to join my fellow employees and become a member of the American Federation of Teachers (“AFT”) Local 2121 (“the Union”). I hereby request and voluntarily accept membership in the Union and its successors or assigns (collectively the “Union”). This means I will receive benefits and agree to abide by the obligations of membership set forth in the Constitutions and Bylaws of the Local, the CFT, and the AFT. I authorize the Union to act as my exclusive representative in collective bargaining over wages, benefits, hours, and other terms and conditions of employment with my employer, and as my exclusive representative where authorized by law. My membership in the Union shall be continuous unless I resign by providing notice to my Local President in writing via U.S. mail (or other method if permitted by local Union policies) of my intent to resign membership. I know that union membership is voluntary and not a condition of employment and that I can decline to join without reprisal.

Legal Language:
I hereby request and voluntarily authorize my employer to deduct from my earnings and to pay to the Union and its successors and assigns (collectively the “Union”) an amount equal to the Union’s regular dues. This dues deduction authorization shall remain in effect unless I revoke it by providing notice to my Local President via U.S. mail (or other method if permitted by Union’s policies) within 15 days before or after (1) the annual anniversary date of my signature on this agreement or (2) the termination of the applicable collective bargaining agreement between my employer and Union (my “window periods”). This dues deduction authorization will renew automatically from year to year even if I have resigned my membership, unless I revoke it during a window period and as required by the Union’s policies. This dues authorization is voluntary and is not a condition of my employment, and I can decline to agree to it without reprisal. I understand that all members benefit from everyone's commitments because they help to build a strong union that is able to plan for the future. This dues authorization will remain effective if my employment with the Employer ends and I am later re-employed by the Employer. It is my responsibility as a member to notify the Union if I believe my deductions are incorrect or if I am no longer in a bargaining unit represented by the Union. The Union is authorized to deposit this authorization with my current Employer(s) and with any other Employer(s) under contract with an affiliate of the AFT in the event I change Employers or obtain additional employment.

Contributions or gifts to Local 2121 are not tax deductible as charitable contributions.

Cope Legal Language:
COPE AUTHORIZATION

I hereby voluntarily authorize my employer to deduct from my salary the sum selected above and to forward that amount to the Local’s Committee on Political Education (“COPE”). This authorization is made voluntarily based on my specific understanding that: 1) I am not required to sign this form or make voluntary contributions to the Union’s COPE as a condition of my employment or membership in the union; 2) I may refuse to contribute without reprisal; 3) Under law, only union members and executive / administrative staff who are U.S. Citizens or lawful permanent residents are eligible to contribute to COPE; 4) the contribution amounts on this form are merely suggestions, and I may contribute more or less by this or other means without fear of favor or disadvantage from Union or my employer by reason of the amount of my contribution or my decision not to contribute; 5) COPE uses the money it receives for political purposes – including, but not limited to, making contributions to and expenditures on behalf of federal, state, and local elections – and addressing political issues of public importance. This authorization shall remain in effect until

revoked by me in writing via U.S. mail to my Local President (or other methods if permitted by Union's policies). This authorization will remain effective if my employment with my employer ends and I am later re-employed by the employer. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation, and name of the employer of individuals whose contributions exceed $200 in a calendar year.

Contributions or gifts to COPE are not tax deductible as charitable contributions
