Estimated Tax	$6.49

No Insurance Requirement: This Lease does not require you to obtain a service contract or insurance.

No Security Interest: This Lease does not include or create any security interest.

Trade-In Devices: Except as otherwise provided in the Lease Agreement, if you provide a trade-in device that you own in connection with this Lease (your "**Trade-In Device**"), you authorize Apple to transfer any trade-in credit associated with your Trade-In Device to Klarna and agree the value of your Trade-In Device will be allocated and credited to your monthly payments for the initial lease term. Any applicable taxes will be allocated and applied to your monthly payments for the initial lease term. If the value of your Trade-In Device exceeds the total monthly payments for the initial lease term, you will receive an Apple gift card via email for the excess value. In this instance, monthly payments due during the initial lease term will consist solely of applicable taxes.

If the value of your Trade-In Device is determined to be lower than the estimated value at the time you sign the Lease Agreement, you don't provide your Trade-In Device within 14 days of receiving the Leased Property, or your Trade-In Device is deemed to have no value, you may be charged for the difference in value or for any credits applied to any monthly payments already paid, and your subsequent monthly payments and any applicable taxes may change.

If the Lease is terminated before the end of the initial lease term in connection with an authorized return of the Leased Property or other reasons permitted by the Lease, you may not be obligated to pay all remaining monthly payments. LEASE PAYMENTS & INITIAL LEASE TERM

This section explains your payment obligations, the initial lease term, and events of default under this Lease.

Promise To Pay

You promise to make all of the payments owed under this Lease (including all fees, taxes, or any other amounts owed) (each, a "**Lease Payment**"). The amounts shown in the Federal Consumer Leasing Act Disclosures above are estimates based on information available as of the Signing Date.

Lease Payments

The initial payment for this Lease, which is due at lease signing, consists of your down payment (if any). Your first monthly Lease Payment will be due one month after the Leased Property ships or is available for pickup. Thereafter, your monthly Lease Payments will be due on the same day of the month (or the last day of the month if any month does not have such day) in each subsequent month until termination of this Lease.

You must provide a valid payment method during checkout when you enter into this Lease. This payment method will be automatically associated with your user account ("**Klarna User Account**") and all Lease

Payments will be charged to this payment method. You can change your payment method at any time in the Klarna app (or by other methods provided to you). By entering into this Lease, you agree to Klarna's Recurring Payment Authorization Policy, which is attached to this Lease as **Appendix A**.

The taxes applicable to the Lease Payments may change if you change the billing address associated with your payment method or the shipping address for the Leased Property or if tax rates or regulations change. You may view the amount of your monthly Lease Payments at any time in the Klarna app (or by other methods provided to you).

Initial Lease Term

This Lease has an initial term of 36 months, beginning the date the Leased Property is shipped or made available for pick up. By the end of the initial lease term, if you do not exercise the Termination Option, exercise the Purchase Option (as set forth in the "Lease Options" section of the Lease Agreement), or Upgrade (if available), this Lease automatically enters the Extension Period, as described in the "Lease Options" section of this Agreement.

Default And Remedies

You will be in default under this Lease if:

- you fail to pay any Lease Payment when due;
- you give any false or misleading information in your Lease application;
- you lose possession of the Leased Property by confiscation, forfeiture, or other involuntary transfer (whether or not the Leased Property is the subject of judicial or administrative proceedings);
- you assign, or attempt to assign, this Lease or transfer, or attempt to transfer, the Leased Property without our prior written permission;
- you initiate a bankruptcy, receivership, or insolvency proceeding or one is initiated against you or your property;
- you fail to return the Leased Property when this Lease requires;
- your use of the Leased Property violates applicable law;
- you are declared legally incompetent or you die; or
- you fail to meet any other obligation under this Lease.

Copy of Original

If you are in default, after providing you any notice and waiting any time required by applicable law, we may do any of the following:

- terminate this Lease and require you to return the Leased Property and pay the Early Termination Balance, if applicable, as described below;
- take certain actions we believe are required to protect our interest in the Leased Property, subject to applicable law;
- subject to certain exceptions, repossess the Leased Property;
- subject to certain exceptions, file a civil action against you; or
- pursue additional actions permitted by applicable law.

We will exercise our rights without breach of the peace, at reasonable times and places, in a reasonable way, as permitted by applicable law. If we repossess the Leased Property, we will hold it free of any rights you may have under this Lease and may delete any data on the Leased Property, subject to any right you have under applicable law to cure the default or recover the Leased Property. You will pay our reasonable expenses of taking these actions as permitted by applicable law, which may include expenses of taking and storing the Leased Property. If we have to pay someone to help us collect any Lease Payments you owe us, we will add the amount we have to pay to the amount you owe us, which may include reasonable fees for attorneys who are not our salaried employees and court costs, unless prohibited by applicable law.

If you default on this Lease, it may impact your ability to use or be approved for other Klarna services.

LEASE OPTIONS

This section explains your obligations and choices during, at the end of, and after the initial lease term.

Purchase Option

You will have an option to purchase the Leased Property at the end of the initial lease term $1,093.20 (tax exclusive). You may purchase the Leased Property before the end of the initial lease term and during the Extension Period for an amount equal to the list price of the Leased Property ($3,799.00), minus any Lease Payments you make before exercising your purchase option, any remaining credits for your Trade-In Device, and any down payment, plus any applicable taxes (the "**Purchase Option**"). Klarna will retain ownership of the Leased Property until you pay the amount due to exercise the Purchase Option.

Termination Option

At the end of the initial lease term and during the Extension Period, you may terminate this Lease, without penalty, through the Klarna App or by other methods provided to you (the "**Termination Option**"). We may terminate this Lease if you are in default as described in the "Default and Remedies" subsection of this Agreement. If this Lease is terminated, you must return the Leased Property within 14 days as provided in the "Returning the Leased Property" section of this Agreement. If you do not exercise the Termination Option, exercise the Purchase Option, or Upgrade (if available) by the end of the Extension Period, this Lease will automatically terminate at the end of the Extension Period and you agree to exercise the Purchase Option at that time. All amounts due in connection with the Purchase Option will be charged to the payment method(s) associated with your Klarna User Account. You may terminate this Lease before the end of the initial lease term in exchange for paying the amount as described in the "Early Termination & Early Termination Balance" section of this Agreement.

Extension Period

By the end of the initial lease term, if you do not exercise the Termination Option, exercise the Purchase Option, or Upgrade (if available), this Lease will automatically enter the Extension Period. The amount of your monthly Lease Payments during the Extension Period may be greater than they were during the initial lease term under certain circumstances (for example, if you paid a down payment or received a credit for your Trade-In Device that was applied to the monthly Lease Payments during the initial lease term). We will provide you notice of the monthly Lease Payment that will apply during the Extension Period prior to expiration of the initial lease term. If this Lease automatically terminates at the end of the Extension Period and you have not agreed to return the Leased Property in accordance with the "Returning the Leased Property" section of this Agreement, you agree to exercise the Purchase Option at that time. All amounts due in connection with the Purchase Option will be charged to the payment method(s) associated with your Klarna User Account.

EARLY TERMINATION & EARLY TERMINATION BALANCE

This section describes early termination rights and the early termination balance.

You may terminate this Lease before the end of the initial lease term by notifying us via the Klarna App or by other methods provided to you. If you terminate this Lease before the end of the initial lease term or we terminate this Lease before the end of the initial lease term because of your default, you must: (i) pay us the total of your unpaid monthly Lease Payments, including applicable taxes and fees, through the end of the initial lease term (the "**Early Termination Balance**"); (ii) return the Leased Property within 14 days as provided in the "Returning the Leased Property" section of this Agreement; and (iii) pay any Damage Fees.

UPGRADES, AUTHORIZED RETURNS, & LEASE CANCELLATION

This section describes upgrades and authorized returns of the Leased Property and related lease cancellation.

Upgrades

You may have the option to return the Leased Property and upgrade to another device ("**Upgrade**") by: (i) entering into a new lease agreement with us for another device; (ii) returning the Leased Property to us within 14 days of shipping or pickup of the Upgrade as provided in the "Returning the Leased Property" section of this Agreement; and (iii) paying any Damage Fees. If you Upgrade before the end of the initial lease term, you must pay us the total of your unpaid monthly Lease Payments, including applicable taxes and fees, through the end of the initial lease term ("**Early Upgrade Balance**"). Upgrades are not guaranteed and are **subject to availability, eligibility, and credit approval**.

Authorized Returns

You may return the Leased Property pursuant to Apple's standard return policy ("**Authorized Return**"). If you successfully complete an Authorized Return as provided in this Agreement, this Lease will be cancelled, and we will refund any Lease Payments you have paid. You will not be required to pay us the Early Termination Balance in connection with an Authorized Return.

Other Lease Cancellations

If you select to pick up the Leased Property in store, and you do not do so within 7 days of when the Leased Property is available for pick up, this Lease may be cancelled. In that event, we will provide a refund for any Lease Payments already paid and you will not be required to pay us the Early Termination Balance.

USE, WARRANTIES, & MAINTENANCE

This section describes your obligations to maintain and return the Leased Property in good physical and operational condition.

Use of the Leased Property

You agree to use the Leased Property for personal use only. You agree not to use or allow anyone else to use the Leased Property in any way that: (i) violates applicable law; or (ii) causes cancellation or suspension of any applicable warranty. You agree to keep the Leased Property in good working condition, protect it from damage, and not sell, transfer, or sublease it. You cannot change or modify the Leased Property in any way unless you get our prior written consent. If you add parts to the Leased Property that cannot be removed without harming the Leased Property's usefulness or value, you understand that these parts become our property to the extent permitted by applicable law. We may inspect the Leased Property at any reasonable time to the extent permitted by applicable law.

You warrant that the information provided in this Agreement and in your Lease application is true and accurate.

You warrant that you are a resident of the fifty (50) United States or Washington D.C. and not a resident of any U.S. territory. You further agree that if you relocate outside the United States at any time during the Lease term, you must notify Klarna immediately and either exercise the Purchase Option described in the "Lease Options" section of this Agreement or return the Leased Property and pay the Early Termination Balance, in accordance with the terms of this Agreement.

Warranties

The Leased Property is subject to the Apple One (1) Year Limited Warranty (apple.com/legal/warranty/), subject to any additional rights you may have under applicable law. Klarna does not make any warranties beyond those required by law.

Maintenance

NEITHER PHYSICAL DAMAGE NOR THEFT AND LOSS COVERAGE IS INCLUDED IN THIS LEASE.

Your use of the Leased Property is at your risk at all times. You are responsible for maintaining and servicing the Leased Property. Any service performed on the Leased Property must be performed by

Apple or an Apple Authorized Service Provider. You are not released from payment or other performance obligations because of damage to, or loss or destruction of, the Leased Property. Unless you purchase the Leased Property in accordance with this Lease, you must return the Leased Property in good physical and operational condition as described in the "Returning the Leased Property" section of this Agreement. For this reason, you may wish to obtain a service contract or property insurance covering the Leased Property at your expense.

RETURNING THE LEASED PROPERTY

This section describes how to return the Leased Property.

If you are required to return the Leased Property to us in connection with the early termination or any other termination of this Lease, an Upgrade, Authorized Return, or as otherwise provided in this Agreement, you must do so by returning the Leased Property to an Apple retail store in the U.S. or by mailing the Leased Property in a return kit with a label provided by Apple, but only after backing up your personal data, erasing all personal data, turning off "Find Devices" ("Find my iPhone" or the equivalent for other device types) and following any other instructions provided. You may not use your own label to mail the Leased Property to Apple.

Except as otherwise provided in this Agreement, your liability for monthly Lease Payments continues until either: (i) Apple or its trade-in service providers inspect and accept the Leased Property that you return to an Apple retail store in the U.S.; or (ii) Apple or its trade-in service providers inspect and accept the Leased Property that you mailed in a return kit provided by Apple. If you opt to mail the Leased Property in the return kit provided by Apple, you may be refunded by us for any monthly Lease Payments made while the Leased Property is in transit.

Copy of

If you are required to return the Leased Property under this Agreement, it must be returned in good physical and operational condition, as determined solely by Apple or its trade-in service providers, otherwise you may be required to pay for any damage to the Leased Property, including any damage due to unauthorized repairs or installation of non-genuine Apple parts ("**Damage Fees**"). The Leased Property will not be considered to be in good physical or operational condition if it has a damaged, scratched, or cracked housing or display; display or touchscreen malfunctions; cracked camera lens; damaged charger port; damage caused by exposure to liquid; corrosion or discoloration; damage to memory ports; hardware or software alterations, including damage from unauthorized repairs (i.e., repairs performed by anyone other than Apple or an Apple Authorized Service Provider) or installation of non-genuine Apple parts; and any other malfunction, failure, or damage caused by misuse or mistreatment of the Leased Property. If the Leased Property is not in good physical or operational condition when it is returned, you are liable for any damages, including Damage Fees, which may be charged to the payment method(s) associated with your Klarna User Account.

Original

If you do not return the Leased Property as required by this Agreement, you agree to immediately exercise the Purchase Option. All amounts due in connection with exercising the Purchase Option may be charged to the payment method(s) associated with your Klarna User Account, as described in this Agreement.

The Communicating Parties may use any telephone numbers (including wireless, landline, and voice over IP numbers) or email addresses that you give to the Communicating Parties, including any telephone number you provide now or in the future or have previously provided to Klarna, in connection with this Lease. You understand and agree that anyone with access to your telephone or email account or other electronic device on which you receive such communications may listen to or read the messages that we leave or send you and that such calls and messages are not "unsolicited calls" for purposes of any state or federal law, and you expressly consent to receive such calls and messages. You agree that the Communicating Parties will not be liable for any charges that you incur in connection with emails, text messages, iMessages, or other communications that the Communicating Parties send to you. You agree that the Communicating Parties are not liable for any charges or costs you incur in connection with text messaging, emails, or other communications that the Communicating Parties may send you. To the extent you have a right to unilaterally revoke this authorization, you agree you may do so by writing to Klarna, 800 N. High St., Suite 300, Columbus, OH 43215. If you obtain a new lease with us after initially revoking consent, you acknowledge that agreeing to the terms of a new lease may involve agreeing to a new authorization to communications, including, but not limited to, communications through automated telephone dialing systems, text messages, iMessages, and pre-recorded voice calls for all your leases. You will, however, be able to withdraw such re-established consent at any time pursuant to the terms above and the terms of your subsequent lease agreement(s). Standard telephone minute, data, and text charges may apply.

This section describes how we use information that we obtain from credit bureaus, what information we may provide to credit bureaus, and how to dispute reported items.

You authorize us and our agents or service providers to obtain consumer reports and other information about you from consumer reporting agencies, when you apply for a Lease and periodically thereafter until this Lease is repaid in full. RECURRING PAYMENT AUTHORIZATION POLICY

THIS PAYMENT AUTHORIZATION ("PAYMENT AUTHORIZATION") APPLIES TO (1) ALL LEASE PAYMENTS FOR THIS LEASE AND (2) ANY ADDITIONAL PAYMENTS, BALANCES, PURCHASE OPTION, OR FEES IN THE EVENT YOU FAIL TO PAY ON TIME. To complete this Lease, you will designate an accepted debit card, credit card, or bank account (each, a "**Payment Method**") to make all Lease Payments under this Lease. When signing this Lease, you designated a primary Payment Method for all Lease Payments (together, along with any substitute Payment Method you or your financial institution or card issuer may later provide to us for this purpose, the "**Primary Payment Method**"). You can also designate an additional back-up Payment Method to make Lease Payments in the event we are unable to complete a Lease Payment using your Primary Payment Method (together, along with any substitute Payment Method you or your financial institution or card issuer may later provide to us for this purpose, the "**Back-Up Payment Method**"). Your Primary Payment Method and Back-Up Payment Method can be changed, modified, or terminated as further described below.

By electronically signing and agreeing to this Payment Authorization, which is incorporated by reference into this Lease, you are authorizing us to initiate (1) ACH debits from any bank account Payment Method, (2) ACH debits from any debit card Payment Method, and/or (3) electronic charges to any credit card Payment Method, as applicable, for all Lease Payments due under this Lease.

For your initial Lease Payment (or your first monthly Lease Payment, as applicable), you authorize us to initiate a one-time Lease Payment using the Primary Payment Method in the amount of your initial Lease Payment (or your first monthly Lease Payment, as applicable) indicated as "Amount Due at Lease Signing" or "Monthly Payment" in this Lease. You also authorize us to initiate recurring monthly Lease Payments using the Primary Payment Method in the amounts and on or soon after the dates set forth in this Lease (or in any alternative amounts or on any alternative dates to which you and we may agree).

If you are paying by debit card or bank account, you have the right to receive written notice if any monthly Lease Payment will vary from the amount of your first monthly Lease Payment. You agree that we need not provide written notice if the amount of the monthly Lease Payment is less than the first monthly Lease Payment, or no more than the monthly Lease Payment plus any unpaid amounts, fees, or charges due under this Agreement.

Authorization to Modify or Combine Payments: You authorize us to initiate a separate Lease Payment from the Primary Payment Method, at our sole discretion, for each separate Lease Payment due under this Lease. You also authorize us to combine multiple Lease Payments (or other payments due to Klarna) that we may be initiating on the same day from the Primary Payment Method into a single payment. Instead of or in addition to any Lease Payment described above, you authorize us to initiate Lease Payments from the Primary Payment Method for any amount and on any date that you subsequently direct by the Klarna app, phone, email, or other method we make available.

Authorization to Correct Lease Payments, Maintain Accurate Balance and Update Payment Method Information: You authorize us to debit or credit your Payment Method as necessary to (1) correct any error we may make in processing a Lease Payment on or after the date such error occurs; or (2) as otherwise necessary to obtain an accurate balance under this Lease, such as when you have a credit balance on your account with us. If there is any missing or erroneous information with respect to the Payment Method or the associated financial institution, you authorize us to verify and correct such information.

Reinitiating a rejected debit or charge: Unless otherwise limited by law, if any Lease Payment under this Payment Authorization is rejected or otherwise returned unpaid, you authorize us to reinitiate such Lease Payment up to two additional times. However, you agree that we are under no obligation to reinitiate any rejected charges or debits.

Back-Up Payment Method; Failed Lease Payment: If you have designated a Back-Up Payment Method

and we are unable to process a Lease Payment using your Primary Payment Method or such a Lease Payment is otherwise returned (a "**Failed Payment**"), you authorize us to initiate two additional Lease Payments using the Back-Up Payment Method on or after the date of the Failed Payment in the amount of the Failed Payment instead of seeking such Lease Payments from the Primary Payment Method. Future recurring Lease Payments will continue to be debited or charged from your Primary Payment Method unless and until you direct us otherwise. In the event of a Failed Payment, we will provide you with at least one day advance notice before initiating any Lease Payments using the Back-Up Payment Method and such notice will indicate the amount, the date, and the Payment Method applicable to that Lease Payment.

Fees Imposed by Your Financial Institution or Card Issuer: You understand that your financial institution or card issuer may impose fees in connection with rejected charges or debits, and you agree that we do not have any liability to you for such fees. If you know that a Lease Payment will be rejected by your financial institution (e.g., because there is not enough money in the account or credit availability on the card), you should contact us so that alternate arrangements can be made.

Changing Your Payment Methods: You can change your Payment Methods and designations of Primary or Back-Up Payment Methods in the Klarna app (or by other methods provided to you). We must receive your changes at least three business days prior to the next scheduled Lease Payment for your changes to be effective for that Lease Payment. Otherwise, your changes will be effective for the following Lease Payment. This Payment Authorization will apply to any substitution or replacement Payment Method.

Revocation and Termination: This Payment Authorization will remain in effect until you cancel it. To cancel your Payment Authorization, please call Klarna's customer service at 1-888-518-2771, Monday-Friday from 8:00AM – 5:00PM Eastern Time AT LEAST THREE BUSINESS DAYS PRIOR TO THE NEXT SCHEDULED LEASE PAYMENT. Otherwise, the Lease Payment may have already been automatically initiated. We may cancel your enrollment in recurring Lease Payments at any time for any reason, including excessive Failed Payments. If this Payment Authorization is cancelled by you or us, you will still be responsible for making Lease Payments under this Lease manually in the Klarna app (or by other methods provided to you) by another Payment Method. This Payment Authorization does not prevent you from stopping payment by contacting your financial institution.

Confirmation of Account or Card Status. You authorize us to validate your Payment Methods and determine whether a Lease Payment under this Payment Authorization will be successful, including by initiating an authorization request, non-monetary entry, or similar entry to any applicable Payment Method and/or obtaining balance information from the financial institution or card issuer associated with the Payment Method. We are not obligated to initiate any Lease Payment under this Payment Authorization if we are unable to validate the applicable Payment Method or if we receive information suggesting that the Lease Payment will likely fail.

Miscellaneous: You promise that the Payment Method is legitimate, open, and active and that you are an authorized user on such account(s). It is your responsibility to ensure that each Payment Method has sufficient funds to cover all Lease Payments. You understand that this Payment Authorization is subject to applicable law and network rules. All Lease Payments will be processed in U.S. dollars. Please print or download a copy of this Payment Authorization for future reference.

Appendix C

ARBITRATION PROVISION

This section is an arbitration provision and contains important information that affects your legal rights.

Mandatory Arbitration of Disputes

PLEASE READ THIS ARBITRATION PROVISION CAREFULLY. UNLESS YOU (1) ARE SUBJECT TO THE PROTECTIONS OF THE MILITARY LENDING ACT OR (2) OPT OUT IN ACCORDANCE WITH THE PROCEDURES DESCRIBED BELOW, IT WILL HAVE A SUBSTANTIAL EFFECT ON YOUR RIGHTS, INCLUDING YOUR RIGHT TO BRING OR PARTICIPATE IN A JURY TRIAL OR A CLASS ACTION.

Scope of Provision. Except as set forth in Section 2, you agree that any and all past, present or future disputes or claims, including without limitation (a) federal and state regulatory and statutory claims, (b) common law claims, (c) claims under local ordinances, (d) data breach or privacy claims and (e) claims based in contract, tort, intentional tort, fraud, misrepresentation or any other legal theory, arising out of or relating to the Terms for Klarna Shopping Service ("Agreement"), the Klarna Pay Later in 4 Agreement, the Klarna Pay Later By Card Terms, the Klarna Pay By Card Agreement or other agreements between you and Klarna (collectively, the "Klarna Agreements"), Services provided by Klarna, use of the Klarna App or Klarna Extension, or Klarna.com, purchases or payments you make, transactions you engage in, collection of amounts due, or the relationship between you and Klarna or our financial institution partners and their agents, employees, officers, directors, predecessors in interest, and successors and assigns (collectively, "Dispute(s)") – at the election of you or us – shall be resolved exclusively through final and binding arbitration, as set forth in this Arbitration Provision, rather than in court before a judge or a jury. A "Dispute" will also include disputes that arose or involve facts occurring before the existence of this or any prior versions of any Klarna Agreement as well as claims that may arise after the termination of any Klarna Agreement. This Arbitration Provision is also binding upon and may be enforced by any third party who is named in a claim asserted by you or us.

Exceptions to Arbitration.

a. If either party contends that the amount of a claim in a Dispute is within the jurisdiction of the small claims court (or an equivalent court), it may instruct the administrator to administratively close the arbitration case, prior to payment of fees, and direct that the claim be filed, if at all, in small claims court. Upon such a request by a party, the arbitration provider shall administratively close the arbitration proceeding. Any dispute about whether a claim qualifies for small claims court shall be resolved by that court, not by an arbitrator. In the event of any such dispute, the arbitration proceeding shall remain closed unless and until a decision by the small claims court that the small claims court lacks jurisdiction over the action. Only in the event that the small claims court determines that it lacks jurisdiction over the Dispute may the arbitration provider reopen the arbitration case. You and we acknowledge that failure to comply with the provisions of this Section 2.a. would irreparably harm the party requesting administrative closure of the arbitration proceeding, and you and Klarna agree that a court may issue an order staying the arbitrations (and any obligation to pay arbitration fees) until any disagreements over the provisions of this Section 2.a. are resolved by the court. You and we do not have to arbitrate a small claim that is filed in small claims court, but if that claim is transferred, removed, or appealed to a different court, you or we may elect to compel arbitration. Moreover, if you or we bring any counterclaim or cross-claim that is for more than the small claims court's jurisdiction, you or we can elect to have the entire claim (including the counterclaim or cross-claim) resolved by arbitration.

b. This Arbitration Provision shall not apply to transactions subject to the Military Lending Act involving covered borrowers, as defined in the Act. Thus, if you are on active duty military service or a spouse or dependent of a person who is on such active duty military service and a claim involves a covered transaction under the Military Lending Act, this Arbitration Provision will be inapplicable to such claim.

This Arbitration Provision shall be broadly construed and any dispute or arbitration hereunder will be

governed by the Federal Arbitration Act ("FAA"), federal law, and the laws of the State of Ohio or the laws of the State of Utah as provided in the "Governing law, venue" section of the Agreement governing the parties' transactions, without regard to principles of conflict of law, including any applicable statutes of limitations. The arbitrator's award shall be final and binding, except for any appeal rights under the FAA, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Any arbitration shall be confidential, and neither you nor we may disclose the existence, content or results of any arbitration, except as may be required by law or for purposes of enforcement of the arbitration award.

Waiver of Jury Trial. IF A DISPUTE IS ARBITRATED, THE PARTIES WAIVE THEIR RIGHT TO RESOLVE THE DISPUTE IN COURT BEFORE A JUDGE OR A JURY. IF FOR ANY REASON A DISPUTE ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER AGREEMENT YOU HAVE WITH KLARNA OR THE RELATIONSHIP BETWEEN YOU AND THE OTHER PARTY PROCEEDS IN COURT RATHER THAN IN ARBITRATION, YOU AND THE OTHER PARTY EACH WAIVE ANY RIGHT TO A JURY TRIAL TO THE FULL EXTENT PERMITTED BY APPLICABLE LAW. There is no judge or jury in arbitration, and court review of an arbitration award is subject to very limited review.

NO CLASS OR MASS ACTION ("Class and Mass Action Waiver"). YOU AGREE THAT EACH PARTY MAY BRING CLAIMS AGAINST THE OTHER ONLY ON AN INDIVIDUAL BASIS AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, CONSOLIDATED OR REPRESENTATIVE ACTION OR PROCEEDING. UNLESS BOTH YOU AND THE OTHER PARTY AGREE OTHERWISE IN WRITING, AND EXCEPT AS PROVIDED IN SECTION 8.f., THIS ARBITRATION PROVISION WILL PRECLUDE YOU FROM BRINGING ANY CLASS, COLLECTIVE, COORDINATED, CONSOLIDATED, MASS AND/OR REPRESENTATIVE ACTION AGAINST KLARNA, AND WILL ALSO PRECLUDE YOU FROM PARTICIPATING IN OR RECOVERING RELIEF IN ANY CURRENT OR FUTURE CLASS, COLLECTIVE, COORDINATED, CONSOLIDATED, MASS AND/OR REPRESENTATIVE ACTION BROUGHT AGAINST KLARNA BY SOMEONE ELSE. EXCEPT AS SET FORTH IN SECTION 8.f., THE ARBITRATOR MAY NOT CONSOLIDATE OR JOIN MORE THAN ONE PERSON'S OR PARTY'S CLAIMS AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A CONSOLIDATED, REPRESENTATIVE, OR CLASS PROCEEDING. EXCEPT AS SET FORTH IN SECTION 8.f., THE ARBITRATOR MAY AWARD RELIEF (INCLUDING MONETARY, INJUNCTIVE, AND DECLARATORY RELIEF) AVAILABLE IN AN INDIVIDUAL LAWSUIT ONLY EXCEPT AS SET FORTH IN SECTION 8.f. BELOW.

Initial Dispute Resolution. Before submitting a claim for arbitration in accordance with this Arbitration Provision, you and we agree to try, for 60 days, to resolve any Dispute informally. This 60-day period begins when any party wishing to bring a claim provides a notice of the Dispute ("Notice of Claim") to the other party, which shall include the sender's name, address and contact information, the facts giving rise to the Dispute, and the relief requested. The Notice of Claim shall be an individualized claim specific to the individual bringing the claim. Any Notice of Claim to Klarna shall be sent to: noticeofclaim.us@klarna.com from the primary email address associated with your account. Klarna will not respond to any emails sent to this email address that do not relate to a Notice of Claim. Any Notice of Claim sent to you will be sent to the most recent email address Klarna has in its records for you. The personal participation includes a telephone settlement conference between you personally (along with your counsel, if you are represented) and Klarna if it is requested by the Party that receives the Notice. To minimize the cost and inconvenience to all parties, and to promote prompt resolution of Disputes, you and we agree that engaging in this initial dispute resolution process is a material term of this Agreement and a requirement that must be fulfilled before commencing any arbitration. You and we agree to act in good faith to resolve the Dispute before commencing arbitration in accordance with this Section 6.

Compliance with Section 6. You and we agree that arbitration (as well as any obligation to pay arbitration fees) shall be stayed until the initial dispute resolution process in Section 6 is complete. You and we acknowledge that either party's failure to comply with the provisions of this Section 6 would irreparably harm the other, and you and we agree that a court may issue an order staying arbitration (and any obligation to pay arbitration fees) until the initial dispute resolution process in Section 6 is complete.

a. If you or we elect to arbitrate a claim, it will be resolved by mandatory binding arbitration. Arbitration is more informal than a lawsuit in court. Arbitration uses a neutral arbitrator instead of a judge or jury, discovery is more limited, and court review of an arbitration award is very limited. However, an arbitrator will follow applicable substantive law consistent with the FAA and give effect to the applicable statute of limitations, defenses and privileges. The arbitrator can award the same damages and relief available in an individual lawsuit that a court can award, including monetary damages, punitive damages (subject to constitutional limits that would apply in court), attorneys' fees and costs and injunctive or declaratory relief. An arbitrator also must follow the Agreement or any other agreement you have with Klarna as a court would.

b. A claim may be submitted to binding arbitration at any time, regardless of whether you or we have previously initiated any lawsuit or other proceeding. If a party files a lawsuit in court asserting initial claims, counterclaims, cross-claims or third-party claims that are subject to arbitration and the other party files a motion to compel arbitration with the court which is granted, it will be the responsibility of the party asserting the claim(s) to start the arbitration proceeding in accordance with the administrator's rules and procedures. Even if all parties have opted to litigate a claim in court, you or we may elect arbitration with respect to any claim made by a new party or any claim later asserted by a party in that or any related or unrelated lawsuit (including a claim initially asserted on an individual basis but modified to be asserted on a class, representative or multi-party basis). Nothing in that litigation shall constitute a waiver of any rights under this Arbitration Provision.

c. Except as set forth Section 8.f, the arbitration will be conducted by FedArb under its rules and procedures. FedArb's rules are available at https://www.fedarb.com. A form for initiating arbitration proceedings is available on FedArb's website at https://www.fedarb.com/arbitration-submission-forms/. The arbitrator must be a retired judge or attorney with more than 10 years of experience. If FedArb cannot serve, the parties may agree on another administrator or arbitrator in writing. Absent such written agreement, a court with jurisdiction will select the administrator or arbitrator. Any administrator or arbitrator selected by the parties or a court will be bound by the terms of this Arbitration Provision.

d. The arbitration shall be held in a location reasonably convenient to where you reside or at another mutually agreed upon location. Attendance at an in-person hearing may be made by telephone by you and/or the other party, unless the arbitrator requires otherwise.

No arbitration award involving the parties will have any preclusive effect on any issues or claims in any dispute involving anyone who is not a party to the arbitration, nor will an arbitration award in prior disputes involving other parties be preclusive of any issues or claims in an arbitration between the parties to this Arbitration Provision.

e. Expedited Arbitration. If the value of the relief sought is $10,000 or less, either you or we may elect to resolve the dispute under FedArb Rule 16 (Expedited Disposition), with administration by FedArb, provided, however, that such rules shall be modified as follows:

i. Tribunal. The tribunal shall consist of a single arbitrator selected from FedArb's list of panelists, unless the parties agree on three arbitrators, selected in accordance with the FedArb Rules.

ii. Deadlines. No party may ask the tribunal, and no arbitrator may ask the parties, for an adjournment of any deadline; adjournments may only be implemented as agreed by all parties, or for good cause as determined by the FedArb administrator.

iii. Place of Arbitration. Arbitrations shall be held at a venue that minimizes costs; telephonic or video hearings will be utilized whenever possible.

iv. Applicable Law. All disputes shall be resolved in accordance with the laws of the State of Ohio or the laws of the State of Utah as provided in the "Governing law, venue" section of the Klarna Agreement

governing the parties' transactions, without regard to its rules regarding conflicts of law.

v. Procedural Order and Timetable. As soon as practicable, and no later than 30 days after Respondent's Answer is filed, the tribunal shall confer with the parties and issue a procedural order and timetable that reserves agreed dates for the hearing on the merits and such preliminary deadlines as may be appropriate. There are to be no motions to enforce discovery requests, to dismiss, for summary judgment, or for any other form of relief except (1) by agreement of all parties, or (2) upon a determination by the tribunal that the motion is necessary and likely to enhance efficiency.

vi. Documentary Discovery. All parties shall provide discovery of nonprivileged documents relevant to any party's claim or defense and proportional to the needs of the case (as measured by the standards set forth in Federal Rule of Civil Procedure 26(b)) within 45 days of the final pleading; only documents produced in discovery shall be permitted to be introduced into evidence absent a showing that the document was unavailable for earlier production.

vii. Requests for Admissions Prohibited. The parties shall submit an Agreed Statement of Facts at least thirty days before the hearing.

viii. Depositions. No depositions shall be held except by agreement of the parties, or upon a showing that the interests of justice require the pre-hearing testimony of a particular witness.

Copy of

ix. Expert Discovery. Experts shall be used only on issues requiring expert testimony, and only upon agreement; expert testimony shall be provided in writing, at least 30 days in advance of the hearing, and an expert's oral testimony shall be limited to the scope of the expert's written testimony.

x. Pre-hearing Briefs. The parties shall file pre-hearing briefs only if they agree such briefs are necessary, and with the tribunal's approval on such conditions as to scope and length as the tribunal considers appropriate.

xi. Exhibits. The parties shall file a single set of all the exhibits they agree should be admitted into evidence. All other exhibits shall be party-designated. Paper copies shall be filed only as required by the tribunal, which shall be provided with digital versions of all papers and exhibits in a convenient format.

Original

xii. Hearing. The hearing shall be recorded in an economical manner, and transcripts will be ordered only as required by the parties or tribunal. Hearing time shall be divided equitably among the parties, unless otherwise agreed.

xiii. Post-hearing Briefs & Oral Argument. Post-hearing briefs shall be filed only on agreement by the parties and with the tribunal's consent; they shall generally be considered unnecessary where the parties have filed pre-hearing briefs. Oral argument shall be held whenever possible as a substitute for briefing and as promptly after the close of the hearing as possible.

xiv. Award. The parties shall agree on the form of award no later than the completion of the hearing. An Award may be formal (including findings of fact and conclusions of law), reasoned (setting out the tribunal's reasoning in a logical but informal manner, or conclusory (setting out the tribunal's conclusions without reasoning). In the absence of agreement, the Award shall be reasoned. The tribunal may issue partial final awards where necessary.

xv. Finality. The parties agree that the Award (or awards) shall be final, except as provided in the Federal Arbitration Act and other governing authorities, and that they waive any right to a trial by jury. The parties may agree at any time during the arbitration process on a right to appeal to a panel of FedArb arbitrators as provided in FedArb Rule 12.

f. Initiation of Mass Arbitration. If 20 or more demands for arbitration are filed relating to the same or similar subject matter, and counsel for the parties submitting the demands are the same or coordinated,

you and we agree that this will constitute a “Mass Arbitration.”

i. If a Mass Arbitration is commenced, you and we agree that it shall be governed by FedArb’s Rules, including FedArb’s Framework for Mass Arbitration Proceedings ADR-MDL, available at https://www.fedarb.com/, but excluding any rules that permit arbitration on a class-wide basis (the “FedArb Rules”), and under the rules set forth in this Agreement. The FedArb Rules are available at https://www.fedarb.com/ or by calling 1-650-328-9500.

ii. Before any Mass Arbitration is filed with FedArb, you and we agree to contact FedArb jointly to advise that the parties intend to use FedArb’s Framework for Mass Arbitration Proceedings ADR-MDL. The individual demands comprising the Mass Arbitration shall be submitted on FedArb’s claim form(s) and as directed by FedArb.

iii. Consistent with Section 7 above, you and Klarna agree that if either party fails or refuses to commence the Mass Arbitration before FedArb, you or Klarna may seek an order from a court of competent jurisdiction compelling compliance with this Section 8.f. and compelling administration of the Mass Arbitration before FedArb. Pending resolution of any such requests to a court, you and we agree that all arbitrations comprising the Mass Arbitration (and any obligation to pay arbitration fees) shall be stayed. You and Klarna acknowledge that either party’s failure to comply with the provisions of this Section 8.f. would irreparably harm the other, and you and Klarna agree that a court may issue an order staying the arbitrations (and any obligation to pay arbitration fees) until any disagreements over the provisions of this Section 8.f. are resolved by the court.

Attorneys’ Fees and Costs. The parties shall bear their own attorneys’ fees and fees and costs in arbitration in accordance with the applicable arbitration rules unless the arbitrator finds that either the substance of the Dispute or the relief sought in the claim was frivolous or was brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)). If you or Klarna need to invoke the authority of a court of competent jurisdiction to compel arbitration, then the party that obtains an order compelling arbitration in such action shall have the right to collect from the other party its reasonable costs, necessary disbursements, and reasonable attorneys' fees incurred in securing an order compelling arbitration. The prevailing party in any court action relating to whether either party has satisfied any condition precedent to arbitration, including the initial dispute resolution process in Section 6 and the mass arbitration process in Section 8.f., is entitled to recover their reasonable costs, necessary disbursements, and reasonable attorneys’ fees and costs.

OTHER AGREEMENTS YOU HAVE WITH KLARNA NOW OR IN THE FUTURE WILL NOT BE SUBJECT TO THIS ARBITRATION PROVISION.

Prior Arbitration Provision. If there is an Arbitration Provision in place (a "Prior Arbitration Provision") governing a prior agreement between you and Klarna (a "Prior Agreement") and you do not reject this Arbitration Provision, claims subject to the Prior Arbitration Provision will be governed by this Arbitration Provision instead, unless you served notice of your claims on Klarna or initiated a lawsuit or arbitration against Klarna asserting your claims prior to the effective date of publication above.

Survival, Conflict, Severance. This Arbitration Provision will survive the termination of any agreement you have with Klarna and any bankruptcy. In the event of any conflict or inconsistency between this Arbitration Provision, on the one hand, and the administrator's rules or the Agreement or other agreement you have with Klarna, on the other hand, this Arbitration Provision will govern. If any part of this Arbitration Provision is found to be invalid or unenforceable, then that specific part shall be severed, and the rest of this Arbitration Provision will continue in full force and effect, except that at either your or our election the entire Arbitration Provision (other than this sentence) may be null and void with respect to any claim asserted on a class, representative or multiple-party basis that does not seek public injunctive relief if the Class and Mass Action Waiver is held to be invalid with respect to such claim and that determination becomes final after all appeals have been exhausted. If a court decides by means of a final decision, not subject to any further appeal or recourse, that the Class and Mass Action Waiver is invalid or unenforceable as to a particular claim or request for relief (such as a request for public injunctive relief), that particular claim or request for relief (and only that particular claim or request for relief) shall be severed from the arbitration and may be litigated in the state or federal courts. All other disputes shall be arbitrated or litigated in small claims court.
