Dear LOVE AND MATH,

Thank you for registering your business with the San Francisco Office of the Treasurer & Tax Collector.

Your Business Registration must be renewed annually by the last day of February. Your paper certificate will be mailed separately and should be visibly displayed at your place of business. Save this letter! The seven (7) digit Business Account Number (BAN) and eight (8) character Online Personal Identification Number (PIN) above will be used for any future tax filings and payments. You will also use your BAN when you apply for a regulatory permit or choose to bid to become a City Supplier.

Depending on the size and type of your business, you may be subject to additional taxes and fees. The most common tax deadlines are listed below.
